

MOVING CHECKLIST

- Book a Removals company. Do this in plenty of time.
- Ask your utility companies to disconnect the service from your current address on completion date and set up accounts for your new address
- Book time off work
- Notify business/domestic and financial/personal contacts of your change of address
- Send change of address cards to family and friends
- Personally pack all valuable personal, domestic and business documents and items for safekeeping
- Arrange for Television license transfer and postal redirection
- Arrange for disconnection of relevant electrical/gas/plumbing appliances ready for removal
- Liase with Solicitor with regards to completion
